

More Shenanigans From 3 Pakistani Brothers Employed By US House Members

written by GEG | March 10, 2017

Three Muslim Pakistani brothers, Imran, Abid and Jamal Awan, who were employed as IT techs by some Democrat US Representatives, and are suspected of hacking into their emails and stealing from them while collecting \$5 million for their work, are back in the spotlight. They are accused of keeping their step-mother under illegal captivity for more than three months. They made severe threats against her family in Pakistan while they shifted assets out of her name during their father's illness and death.

Russian Bank Hired The Podesta Group To Lobby For Ending Sanctions

written by GEG | March 10, 2017

Russia's largest bank, Sberbank, hired Tony Podesta, the brother of Hillary Clinton's campaign manager, John Podesta, and paid him \$170,000 last year to lobby to end the Obama administration's economic sanctions against Russia. Sberbank faced severe cash shortages due to plunging oil prices, and the US sanctions prevented the bank from legally seeking funds from American financial institutions. Sberbank was the lead financial institution in the Russian deal to purchase Uranium One, which ultimately committed 20% of US uranium supplies to Russia, and was brokered through the Clinton Foundation. Meanwhile, Democrats perpetuate fake news against Trump and the Russians.

New Case Of Infant Herpes Caused By Orthodox Jewish Circumcision

written by GEG | March 10, 2017

New York Mayor Bill DeBlasio repealed a rule requiring parental consent before a controversial ultra-Orthodox Jewish circumcision (metzitzah b'peh) was performed, as the practice entails sucking blood from the incision, which can expose the child to herpes. Twenty four cases of herpes have been reported by the health department since 2000, which led to two infant deaths and two cases of brain damage. The mohel in the latest case has not been identified.

CNN Claims 'Technical Glitch' Whenever They Censor Someone For Telling The Truth

written by GEG | March 10, 2017

CNN is becoming infamous for cutting the cameras and microphone when someone goes off-script and reveals some truth that they cannot refute or says something to embarrass them. Most recently, CNN cut the feed when Congressman Scott Taylor said that 30% of domestic terrorism is caused by refugees.
