

Congressman Proposes A Bill For Full Repeal Of Obamacare In Just One Sentence

written by GEG | March 29, 2017

US Representative, Mo Brooks, wrote a one-sentence bill to fully repeal Obamacare. It states: "Effective as of Dec. 31, 2017, the Patient Protection and Affordable Care Act is repealed, and the provisions of law amended or repealed by such Act are restored or revived as if such Act had not been enacted." He says this will expose RINO Republicans who say they want to repeal Obamacare at election time but secretly are committed to keeping it. -GEG
