

# Ann Coulter Cancels Berkeley Speech, Blames 'Young America's Foundation' and Republican Leaders For Dropping Support

written by GEG | April 27, 2017

Ann Coulter was sponsored by two student groups, YAF (Young America's Foundation) and the Berkeley College Republicans to deliver a speech at UC Berkeley opposing illegal immigration. She challenged Berkeley police to not stand down in the event of violence. YAF pulled its support and prevented the Berkeley College Republicans from taking legal action to require the college to provide a room for the speech.
