

In The Last Eight Months, The 'Vaccine Court' Confirmed 377 Tragic Vaccine Injuries to Children And Awarded \$142 Million in Damages

written by GEG | May 11, 2017

The Vaccine Injury Compensation Program, a special court for vaccine injuries paid \$142 million in 377 vaccine-injury claims since October 1st, 2017. These judgments disprove the claim that vaccines are safe. Adverse reactions are under-reported by an estimated 90%.
