# Australian Government Will Tax Parents Who Reject Vaccines for Their Children \$10.50 PER WEEK as a Penalty

written by GEG | May 23, 2017

Australia: A weekly \$10.50 charge will be withheld from parents' family tax benefit payments if they reject vaccinations for their children. The penalty is expected to extract millions. Prime Minister Malcolm Turnbull's "No Jab, No Play" policy prohibits kids who haven't been vaccinated from going to preschool.

# Tens of Thousands Rally in Milan for Open Borders. 1.3 Million Did Not.

written by GEG | May 23, 2017

Milan, Italy: Tens of thousands filled the streets to march in favor of immigration and open borders. A rally of this magnitude does not happen spontaneously. It requires sponsors, organizers, banner makers, buses, a planning committee, and massive funding – none of which is mentioned in this article. Remember that 1.3 million residents of Milan stayed home.

## An IT Company Working for Hillary Clinton Was The Sole Source for Allegations of Trump – Russia Collusion

written by GEG | May 23, 2017

Michael Scheuer is a former CIA intelligence officer who currently is a professor at Georgetown University. Scheuer says that the allegation of Trump's collusion with Russia is based entirely on the word of CrowdStrike, a private IT company that was used by Hillary Clinton during her campaign against Trump.
