Los Angeles: Proof That Leftist Protesters Are Uninformed and Confused over the Issues They Support

written by GEG | June 27, 2017

Los Angeles Airport: A group of protesters are interviewed and reveal their ignorance about the immigration ban, Sharia law, and other issues related to their demonstration. [It would be funny if it were not so deadly serious in its consequences. These pathetic souls have been programmed like robots and, until they become de-programmed by truth, they will serve as cannon fodder for America's enemies.]
