Migrants and refugees are responsible for 92% of violent rapes in Sweden, and the numbers are increasing. 43% of the victims are children. Most rapists have Iraqi background, followed by migrants from Afghanistan, Somalia, Eritrea, Syria, Gambia, Iran, Palestine, Chile and Kosovo. All but Chile are Muslim countries. –GEG

Rape numbers in Europe **continue to rise** as immigrant populations continue to rise.

A **recent study** in Sweden found that 92% of all rapes were committed by migrants and refugees.

And 43% of rapes in Sweden – nearly 50% – are child rapes.

**10 News** reported:

*Rapes in Sweden has been soaring since the country started to take in large numbers of Muslim migrants and refugees. According to statistics, 92 percent of all severe rapes (violent rapes) are committed by migrants and refugees. 100 percent of all attack rapes (where victim and attacker had no previous contact) are committed by that same group.*

The top-10 list of rapists' national background shows only one non-Islamic country (Chile). Most rapists have Iraqi background, followed by refugees and migrants from Afghanistan, Somalia, Eritrea, Syria, Gambia, Iran, Palestine, Chile and Kosovo. Migrants and refugees from Afghanistan are 79 times more likely to commit rape than Swedes.

The same pattern is seen all over Western Europe, and in many places, it has an impact on demographics in public spaces...

...**New data** from Sweden's national bureau for statistics, BRÅ, shoes that 3,430 rapes were reported during the first six months of 2017, up 14 percent compared to the previous half-year. In all, 9,680 sexual crimes were committed from January to June.
