

# Chief Rabbi of Barcelona Urges Jews in Europe to Move to Israel to Escape Chaos Caused by Muslim Immigration

The chief rabbi of Barcelona, Spain, says that Europe is lost due to the endless stream of Muslim immigrants and the jihad that is being waged against 'non-believers'. A huge cache of illegal weapons was discovered in Spain earlier this year, and was covered up in the media, while the EU is working to disarm law-abiding citizens. The rabbi is urging Jews living in Europe to move to Israel, which will not allow immigration and multiculturalism. -GEG
