

Sweden: Firemen Abandon Burning House After Being Attacked in 'No-Go Zone'

written by GEG | September 12, 2017

Malmo has a heavy migrant population that has "no-go zones" where rampant drug trafficking, gang crime, and religious extremism can be found.

20 States Request Supreme Court to Release Videos Exposing Planned Parenthood

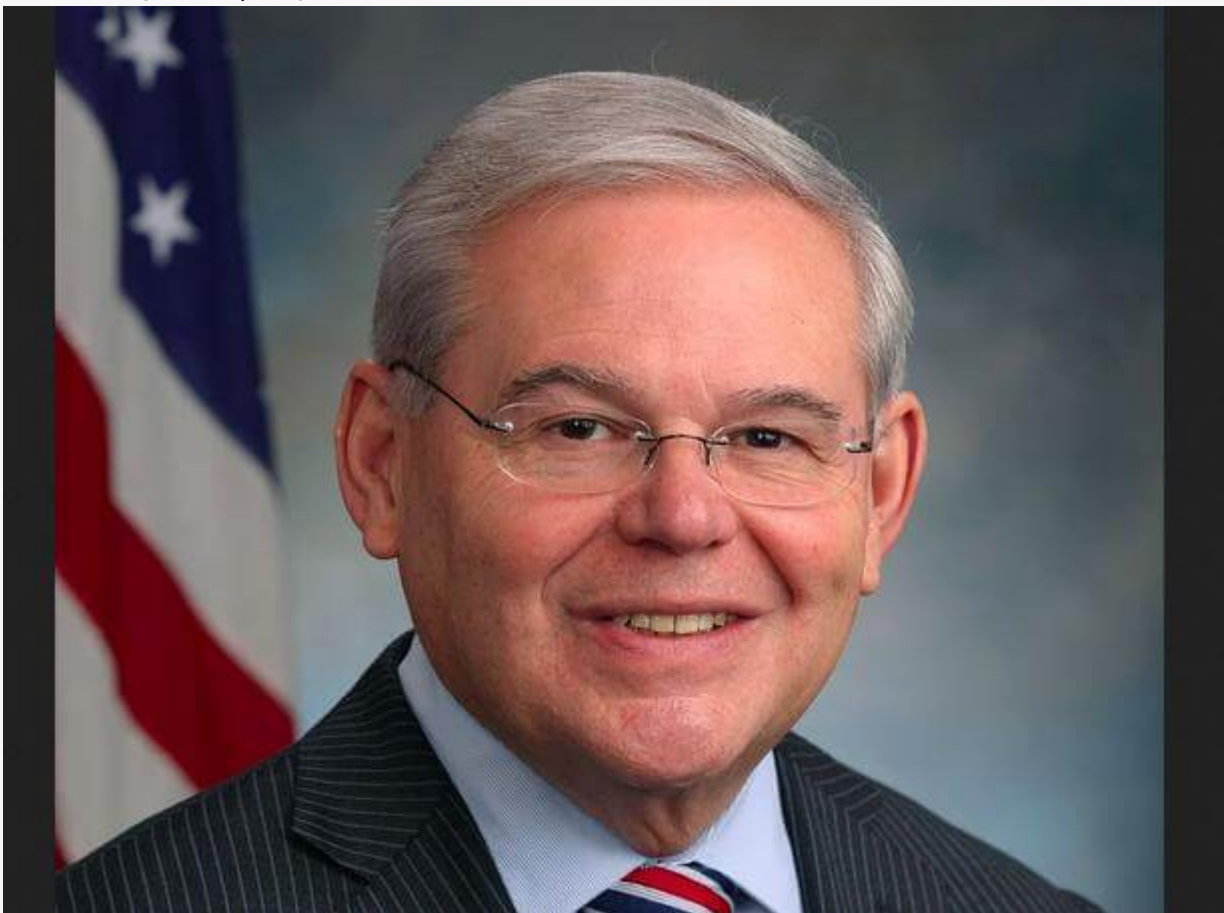

written by GEG | September 12, 2017

Currently, there is a Court gag order on undercover videos filmed by the Center for Medical Progress because the judge claims they signed a confidentiality agreement to attend the National Abortion Federation's convention.

Democratic Senator Bob Menendez Trial May Force Resignation

written by GEG | September 12, 2017

If convicted, Menendez could lose his Senate seat, and a new senator would be appointed by Republican Governor, Chris Christie, which could affect a future Obamacare vote.

US Epedemic of Opioid Addiction May Be A Cause of Male Unemployment

written by GEG | September 12, 2017

New study shows that half of the men who dropped out of the workforce are on opioid painkillers. In 2015, 91.8 million Americans, roughly one in three, used opioid painkillers such as Vicodin and OxyContin.
