

Pentagon Is Manipulating Paperwork to Hide Trail of Weapons to Rebels and Terrorists in Syria

written by GEG | September 14, 2017

The Pentagon continues to ship massive amounts of weaponry, up to \$2.2 billion in value, to dealers in Syria, and the Pentagon is scrubbing its paper trail.

Benghazi Security Contractors Say US State Department Silenced Them

written by GEG | September 14, 2017

The US State Department chose a small Welsh security contractor to protect the US Embassy who hired local guards, but did not arm them.

AG Sessions Has A Disgusting 'Reason' for Not Prosecuting Hillary Clinton

written by GEG | September 14, 2017

Despite ample evidence against Hillary, Sessions will likely not prosecute as politicians rarely go after their predecessors because they do not want their successors to come after them.
