

Why Did Trey Gowdy Omit Peter Strzok From List of FBI Officials He Wants to Question?

written by GEG | December 21, 2017

Gowdy omitted FBI agent Peter Strzok, Justice Department official Bruce Ohr, and his Fusion GPS-linked wife, Nellie, from the list of people to be grilled about the origin of the accusations of Trump collusion with Russia. This has raised questions about whether Gowdy is inept or if he is yet another political mole merely pretending to drain the swamp.
