# Germany Introduces Women's Pants with Safety Alarms to Thwart Migrant Sex Attacks

Germany, a country with a population of 82-million, welcomed one- million migrants and unvetted "refugees" in 2015, and another 280,000 in 2016. In July, 2017, German Chancellor Angela Merkel shut down the idea of creating upper limits on refugees entering Germany. During this time, rape and sexual assault have risen dramatically. Since the government refuses to crack down on the offenders and stop the immigration, merchants have introduced 'Safety Pants' with loud alarms. [Back to the Dark Ages!]
