Representative Maxine Waters (D-CA), who is slated to be the next Chair of the House Financial Services Committee if Democrats win control of the House in November, exhorted a crowd to conjure up a mob to harass members of Trump's cabinet in public, wherever they are found.

Rep. Maxine Waters declared war on Republicans this weekend during her speech to a fired up Democrat mob.

Waters told her supporters to verbally assault and harass Republicans where ever you find them.

Maxine Waters: "If you think we're rallying now, you ain't seen nothin' yet. Already, you have members of your Cabinet that are being booed out of restaurants who have protesters taking up at their house, who say, 'No peace, no sleep. No peace, no sleep.' God is on OUR side! On the side of the children. On the side of what's right. On the side of what's honorable. And so, let's stay the course. Let's make sure we show up wherever we have to show up and if you see anybody from that Cabinet in a restaurant, in a department store, at a gasoline station, you get out and you create a crowd and you push back on them, and you tell them they're not welcome anymore, anywhere.

Representative Lee Zeldin wrote: Pot meet Kettle for the party that preaches tolerance like no other. This isn't the fringe of the Dem Party. This is the Dem Party & the next Chair of the House Fin Svcs Cmte if Dems gain control of House this Nov.
