

NY: 28-Year Old Latina Used Accusations of Racism and Sexism to Oust High Ranking Dem

su_note note_color="#ef1a7" text_color="#00000" radius="5"]New York: Democratic US Representative Joel Crowley, who has been in office for almost 20 years, lost the primary in a shocking upset to community organizer Alexandria Ocasio-Cortez, 28, who is likely to win in the November election. Alexandria Ocasio-Cortez attacked Crowley for being white and male, in a classic Marxist strategy of pitting groups against each other. She won by promising free college, Medicare-for-all, a federal jobs guarantee, opening our prisons and abolishing ICE. Transferring all the money from those who work to those who don't work may force more people to wake up.[/su_note]
