written by GEG | July 12, 2018

Italy: An oil supply ship rescued 67 migrants from Africa who were traveling in a wooden

boat, seeking refuge in Europe. The illegal aliens became enraged and took the crew hostage when they discovered a Libyan coastguard boat arrived on the scene to take them safely back to Africa.

Israel Is Carrying Out Warfare Against Gaza by Spraying Crops with Harmful Chemicals

written by GEG | July 12, 2018

Israel has been spraying Palestinian crops in Gaza with herbicides to damage the vegetation since 2014. Officially, the crop dusting is only done on the Israeli side of the border fence, but Palestinian farmers and the Red Cross testified that the damage can be seen deep inside Palestine. Glyphosate is the main herbicide that is used, which can stay in the soil for months or even years, and may have negative health effects.
