

Colonel MacGregor Warns President Trump that Another 'Gulf of Tonkin' Incident Could Be Staged to Incite New US War with Iran

written by GEG | July 25, 2018

Colonel Douglas MacGregor appeared on Tucker Carlson's show to discuss the prospect of a war with Iran, and he warned President Trump of another 'Gulf of Tonkin' event, which was a total lie by the foreign policy establishment that was used to ignite the Vietnam War. Carlson agreed and mentioned the dubious gas attacks in Syria that were used by neocons to pressure Trump into bombing Syria twice.

Mass Rape, Cannibalism, Dismemberment, Unspeakable Atrocities in Congo War

written by GEG | July 25, 2018

Rebels and government troops in Congo have committed atrocities including mass rape, cannibalism, and dismemberment of civilians. Investigators have learned of boys forced to rape their mothers, little girls being told witchcraft would allow them to catch bullets, and women forced to choose gang-rape or death. The UN investigative team found that both sides in the civil war are guilty.

Why the Federal Government Broke Vaccine Law for 30 Years

written by GEG | July 25, 2018

The federal government has been breaking its own vaccine laws for 30 years as the Department of Health and Human Services was supposed to report every two years to the Congress on the ongoing efforts to improve vaccine safety beginning in 1988, but no reports were ever made. The law has been ignored because following it admits that vaccines cause harm. And the CDC buys and sells \$4 billion in vaccines each year.
