

US Rep. Matt Gaetz to File Complaint with FEC Against Twitter for Shadow Ban. Twitter Stock Drops by Whopping 20% as It Loses Its Audience

written by GEG | July 29, 2018

US Representative Matt Gaetz plans to file a complaint with the FEC against Twitter for a shadow ban against him, claiming that the social media company cannot use a federal law to claim it is neutral in order to dodge lawsuits, while at the same time engaging in political censorship.

FBI Has Ongoing Relationship with Left-Wing SPLC Group that Uses 'Hate' Designations to Target Its Enemies and Crush People

written by GEG | July 29, 2018

Tucker Carlson reported that the SPLC is a fraudulent enterprise and further stated that It's a left-wing political group that uses 'hate crime' designations to target its ideological enemies and to crush people.

Trump Supporters Who Were Attacked by Leftists Win Right to Sue San Jose Police for 'Stand Down' Orders at 2016 Rally

written by GEG | July 29, 2018

California: Three judges ruled that Trump supporters who were attacked by leftists at a 2016 Trump rally may sue the police for funneling them into a violent crowd of anti-Trump protesters and refused to protect them. The city tried to get the lawsuit dismissed by arguing that the Trump supporters should have expected to be assaulted at

the rally.

Republican Lawmaker Kevin Yoder Sneaks New Asylum Rules into Budget that Will Destroy US Borders

written by GEG | July 29, 2018

Republican Representative Kevin Yoder advanced an amendment that would nullify AG Jeff Sessions' decision to stop granting asylum to people who claim asylum from gang and domestic violence, essentially throwing US borders wide open to hundreds of millions of migrants from Latin America.
