

# Colonel MacGregor Warns President Trump that Another 'Gulf of Tonkin' Incident Could Be Staged to Incite New US War with Iran

written by GEG | July 25, 2018

Colonel Douglas MacGregor appeared on Tucker Carlson's show to discuss the prospect of a war with Iran, and he warned President Trump of another 'Gulf of Tonkin' event, which was a total lie by the foreign policy establishment that was used to ignite the Vietnam War. Carlson agreed and mentioned the dubious gas attacks in Syria that were used by neocons to pressure Trump into bombing Syria twice.
