

Sweden: The Left Is Furious When, Just Before Elections, Public TV Admits Migrants Commit Majority of Rapes

written by GEG | August 24, 2018

In assault-rape cases, where the perpetrator and victim were not previously acquainted, the proportion of foreign-born grew to more than 80%. The Swedish media has been covering up migrant crimes for years, but now leftists are worried that the rape statistics will influence voters in the elections set for September 9.
