

# East Germans in Former Communist City Protest Mass Immigration After the Stabbing of a German Man

written by GEG | August 29, 2018

Two thousand Germans, labeled as “far-right” protesters and “Nazis”, demonstrated against terrorism and migrant crime following the arrest of a Syrian man and an Iraqi man who are accused of stabbing a 35-year old German carpenter to death. German society is divided over Merkel’s admission of a million migrants in 2015.
