

# Leftist Website Portrays Brutal MS-13 Gang as Clean-Cut, Hard-Working Teenagers

Following President Trump's crackdown on immigration and gangs, the leftist website Vox produced a video portraying the MS-13 gang from El Salvador as responsible teenagers who ride bikes, listen to music, and work after school jobs. In truth, MS-13 is brutally violent and criminal. Timothy Sini, a Suffolk County, New York, District Attorney, says the gang was responsible for 17 hideous murders in his county during 2016 and part of 2017.

American Majority CEO Ned Ryun says the motto of MS-13 is "Kill, Rape and Control." In Suffolk County, New York, the gang was responsible for 40% of the murders from 2016 thru June 2017. In addition to violence, drug trafficking, and murder, MS-13 is funded by sex trafficking of girls as young as 14. -GEG
