

Strange Disappearance of WikiLeaks Consultant in Norway

written by GEG | September 4, 2018

Norway: WikiLeaks tweeted about the “strange disappearance” of Arjen Kamphuis, an associate of founder Julian Assange, saying he has been missing since August 20 when he left his hotel in the northern Norwegian town of Bodo. He had a plane ticket bound for another city 435 miles away on August 22nd, but never used it.

President Trump Removes \$300-Million in Funding of UN Agency that Supports Palestinian Refugees

written by GEG | September 4, 2018

According to an article in the Israeli newspaper, Haaretz, Israel helped create and promote that UN agency because it relieved the Israel of the financial burden of the refugees. Trump's decision may restore that obligation to Israel.

The US Department of Education Reported 235 School Shootings in 2015-2016, But the Real Number Was 29

written by GEG | September 4, 2018

NPR attempted to make contact with every school to confirm the statistics and discovered that more than two-thirds of the incidents never happened. The DOE shrugged off the disclosure by saying that it merely relied on data provided to it by the schools, but the schools did not provide such data.
