

NBC Executives Lie about Refusal to Run Weinstein Sex-Abuse Story. Could the Reason Could be Blackmail?

written by GEG | September 5, 2018

So, why the cover up? Weinstein has a long history of using private investigators to unearth damaging information about people who threatened him. Did he do that to NBC? Some within the company believe Weinstein threatened to reveal damaging information about former NBC news anchor, Matt Lauer, and possibly others in the organization.
