

# The Federal Reserve Plans to Roll Out Its 'Patriot Act' AML Bitcoin Cryptocurrency by 2020

written by GEG | October 16, 2018

Dick Allgire of Crypto Viewing reports that the Federal Reserve plans to have a cryptocurrency system, and their spokesman, Sean Rodriguez, announced the coming transformation of our nation's payment system is set for 2020, under the 'Faster Payment Environment.' The Federal Reserve is endorsing the AML Bitcoin that is compliant with the Patriot Act and biometric identification.
