written by GEG | November 6, 2018

NBC and the Fox News stopped airing Trump's campaign ad featuring Luis Bracamontes, a twice-deported immigrant from Mexico who killed two police officers. Fox News, considered to be conservative, banned the President – will he be censored from Twitter next?

The FDA Requested a \$25 Million Study on Cell Phone Radiation, But Ignored the Results that Link the Radiation to Cancer

written by GEG | November 6, 2018

A \$25 million study on the effects of cellphone radiation on rats found clear evidence of tumors in the hearts of male rats and links to tumors in brains and adrenal glands. If the FDA had accepted the results, the FCC would have had to update its regulations set in 1996.
