

# The FBI Secretly Investigated President Trump To See If He Was A Russian Agent. The Plan was to Charge Him with Treason.

written by GEG | January 15, 2019

The FBI secretly began an investigation in 2017 into whether President Trump is a Russian agent who committed treason. No evidence was found, but the investigation and rumors of the instigation were widely used by the media to mar the President's image.

## Activists Storm Nancy Pelosi's Mansion Wall with Illegal Immigrants, Set Up Sanctuary Camp and Get Deported

written by GEG | January 15, 2019

An activist group stepped over the wall surrounding Nancy Pelosi's California mansion and demanded access to her home. A small group of Guatemalans put up a tent with the word 'immorality' printed on it and attached photos of people who have been murdered by illegal aliens.
