

Honduran Caravan Leader Sentenced to 15 Years for Child Rape

written by GEG | January 21, 2019

Molina became a fugitive but now has been sentenced to fifteen years in prison. If he had made it to the border, there is an excellent chance he would have entered the US and been given benefits.

World Health Organization Widely Criticized for Claiming Vaccine Refusal Is in Top-10 Health Threats

written by GEG | January 21, 2019

An Australian poll shows that lack of trust in institutions and government is a major factor. Although there are many studies that show vaccines are a major cause of autism, WHO continues to carry the flag for the pharmaceutical industry and insists that the studies are not valid.

Media Creates Fake Version of Event To Make Catholic High School Students Appear To Be Racists

written by GEG | January 21, 2019

Because of the fake news account, the students were threatened with expulsion by their school. Kentucky Secretary of State Allison Grimes condemned the boys and accused them of hatred. This is a classic example of the power of the media to engineer public opinion with fake news.

Senate Votes Unanimously to Rebuke Senators Harris and Hirono for Discriminating Against Catholics

written by GEG | January 21, 2019

asked Buescher if his Catholic faith would prevent him from serving as an impartial judge. Hirono even demanded that he drop his membership in the Knights of Columbus, a Catholic support group, because of its “extreme positions” against abortion and gay marriage.

Michigan State Senator Says Acceptable Level of 5G Radiation Has Been Rigged by Telecom Industry and Is Huge Health Hazard

written by GEG | January 21, 2019

Colbeck says the legal process for stopping 5G installations at the local level is rigged, because it relies entirely on safety standards set by the FCC, which now is staffed by former telecommunications insiders.

Former FBI Assistant Director Explains How Big Tech Owns the Democrats and Has Scammed the US for 20 Years

written by GEG | January 21, 2019

Former FBI Deputy Assistant Director, Terry Turchie, says that Nancy Pelosi and her friends are promoting a 'technological wall' along the border, because the Democrat party is owned by the technocrats in Silicon Valley. Pushing a digital solution for everything is a payoff to Big-Tech campaign donors.

President Trump's Plan to End the Border Crisis

written by GEG | January 21, 2019

Trump proposed extending legal protections to one-million immigrants including work permits, enrollment in Social Security, \$800-million in humanitarian assistance, \$805-million for drug-detection technology, 2,750 new border agents, 75 new immigration judge teams, and \$5.7-billion for the wall.
