

# RoundUp Weed Killer Found in 19 Out of 20 Leading Beer and Wine Brands in the US

written by GEG | February 26, 2019

The beer brands included Coors Light, Miller Lite, Budweiser, Corona, Heineken, Guinness, Stella Artois, New Belgium, Sierra Nevada and Samuel Adams, and the wine brands were Beringer, Sutter Home, Barefoot, Inkarrri and Frey Vineyards. The levels detected were below limits set by the Environmental Protection Agency, but critics still believe it is harmful.

## American Teachers Are Commies Because Their Reading Material Is From the Southern Poverty Law Center

written by GEG | February 26, 2019

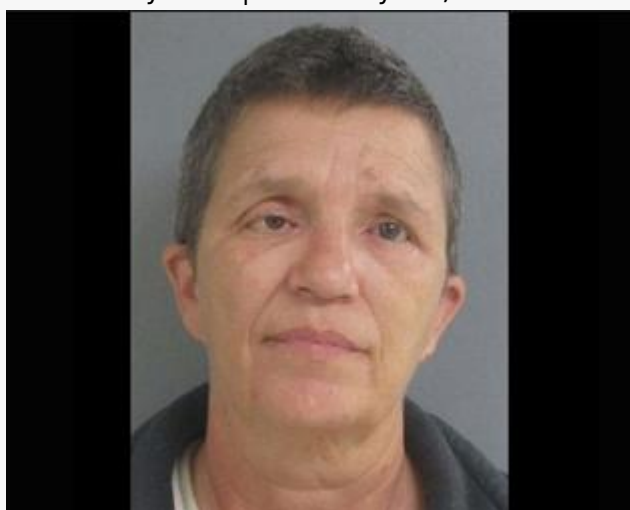

School boards vote on which books are used in classrooms, and many use radical texts. The magazine falsely claims that hate, bigotry, white supremacy, homophobia, racism and lynching are rampant in America, in order to push the leftist agenda.

## Transgender Activist Accused of Burning Down Own Home and Killing 5 Pets in Hate Hoax Crime

written by GEG | February 26, 2019

Michigan: Nikki Joly, a biological woman who transitioned into a man, is accused of burning down 'his' own home and killing five pets in a hate hoax crime in 2017. The reported possible motive for the leftist to set fire to his own house was due to lack of media coverage of his LGBTQ activism.
