# UN Commission on Human Rights Says Israel's Killing of Gaza Protesters Is An International War Crime

written by GEG | March 11, 2019

**5 million Palestinians are classified as refugees by the UN**

Regarding the killing of children, health workers, and journalists, the commission found "reasonable grounds to believe that snipers shot them intentionally."

---

# Democrat Congressman Nadler Is Willing to Destroy the Lives of 81 People in His Search for a Crime to Get Trump

written by GEG | March 11, 2019

Nadler and every member of Congress, and every government prosecutor know that they can needlessly destroy a person's life and it doesn't cost them one dime out of their pocket. Not a single penny!

---

## Jussie Smollett Indicted on 16 Felony Charges

written by GEG | March 11, 2019

Authorities claim the two attackers, who are black, have confessed to their role in the hoax after Smollett paid them \$3,500 to stage the incident. Smollett may also face federal charges for mail fraud on allegations that he mailed a hate speech letter to himself.
