

How 'Justice Democrats' Plan to Infiltrate Republican Party to Control Congress

YouTube personality, Mr. Reagan, uncovered how the 'Justice Democrats' group plans to take over Congress with collectivists and become "benevolent dictators." Zack Exley, a former Bernie Sanders campaign strategist, appears to be the leader of this group. He co-wrote a book, Rules for Revolutionaries, in which he says: "Fighting racism must be at the core of the message to everyone." His group devised a method to replace Republican incumbents with collectivists during midterm elections when only 5% of voters go to the polls. This will enable them to be elected under the pretense of being conservative Republicans in the subsequent general elections. The goals and strategies of the Justice Democrats and Real Justice are similar to George Soros' missions. -GEG

Summary by JW Williams

Mr.

Reagan says the justice Democrats are neo-Marxists who claim to believe that

all white people are racist, all men are misogynistic, and all

Christians
are homophobic.

Originally,
the Justice Democrats planned to infiltrate
the Republican party and register their leftist candidates as
members of
the GOP in midterm primary elections and be elected as
conservative Republicans in the general
election. This bait-and-switch strategy is expected to
go operational in 2020. Reagan says the eventual plan is to
replace all government offices, on every
level, with collectivists.

Becky
Bond, Zack Exley's co-author, formed an organization called
'Real
Justice' that aims to replace local District Attorneys with
Marxists
who seek to upend the American justice system. Shaun King is
the face of Real Justice. He
is a black supremacist who inspires hate against whites. King
claims to
be a black man, but a family member says he is white.

There
are over 2,400 district attorneys nationwide, and most run
during
midterm elections. George Soros is reported to have spent over
\$11
million on getting radical justice-reform candidates in DA
races since
2015, which uses the same strategy and has the same goals as
Real

Justice. Shaun King previously was affiliated with Black Lives Matter, which also was funded by Soros.
