

Portland Antifa Assaulted Two Men with Metal Pipes and then Sprayed Them with Mace at Weekend Protest

A brawl broke out, reportedly instigated by the blonde shirtless man, and Antifa members used pepper spray and blunt objects to attack conservative protesters. An elderly man carrying a baton was punched and sprayed with mace, he retaliated, and was beaten to the ground. Antifa claims that the elderly man was the aggressor. Adam Kelly, the man with the red beard, tried to help the older man and was smashed over the head with 'metal pipes' and was then sprayed with mace. Kelly received over 25 stitches/staples. Joseph Christian Evans, 34, was identified as one of the Antifa members who allegedly struck Kelly, and he was arrested.
