

# Colorado: Pro-Immigration and Open Borders Advocate Killed by Illegal Alien with a Criminal History

written by GEG | October 16, 2019

Ramirez Valiente has been charged with reckless driving, as his license was revoked due to a DUI in 2018. He was also arrested for reckless endangerment in 2011 and domestic violence in 2016. A district attorney dismissed both charges.

## ABC Admits to Using Fake Footage of Kurdish 'Slaughter' by Turkey to Push the Pro-War Agenda of the Establishment

written by GEG | October 16, 2019

James Corbett explains that the pro-war media objected to President Trump removing 1,000 US troops from Syria, and has been caught lying again to the American public to keep the wars going. Corbett gives numerous examples of other times that the media has been caught using propaganda and lies to manipulate the public.

## Extinction Rebellion Climate Activists Paid Over \$500 Per Week by George Soros to ‘Shut Down’ Britain

written by GEG | October 16, 2019

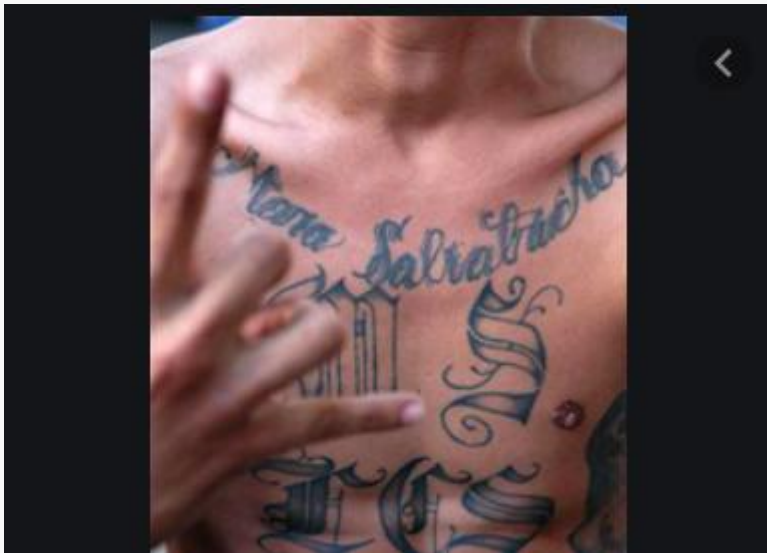

In the past week, over 1,300 arrests were made involving members of the Extinction Rebellion, a climate-change-alarmist group that is critical of the West and has blocked roads and shut down a London airport. George Soros is among the high-profile donors to this group.

## Phillipines to Vaccinate 9-Million Children with Same Vaccine that Caused the Polio Infection used to Justify the Vaccine Program

written by GEG | October 16, 2019

Only one child has been infected by the polio virus, caused by a polio vaccine, but the government now is preparing to vaccinate more than 9 million children – with the same vaccine that infected the single case of polio that created their concern.
