

Colorado: Pro-Immigration and Open Borders Advocate Killed by Illegal Alien with a Criminal History

Colorado: Sean Buchanan, an open borders activist and Trump 'hater' who was also the father of five children, was reportedly killed in a traffic accident by Miguel Ramirez Valiente, an illegal alien from El Salvador. Ramirez Valiente swerved outside of his lane and struck Buchanan, who was riding a motorcycle. Ramirez Valiente has been charged with reckless driving, as his license was revoked due to a DUI in 2018. Just eight months ago, the illegal alien sought sanctuary from a Colorado Springs Unitarian church to avoid deportation. Ramirez Valiente was also arrested for reckless endangerment in 2011 and domestic violence in 2016. A district attorney dismissed both charges.

Open borders advocate and Trump-hater Sean Buchanan was killed last week by criminal illegal alien Ramirez Valiente.

Buchanan, a father of five, was killed when Valiente, who was driving without a license, swerved into his lane and killed him.

Sean Buchanan was a critic of President Trump and his immigration policies.

[The Pluralist](#) reported:

A man who criticized President Donald Trump's immigration policies in the name of progressive Christianity was killed last week by an undocumented immigrant who avoided deportation by hiding in a local "sanctuary church."

Sean Buchanan, a father of five from Colorado Springs, was driving his motorcycle on Highway 83 when Miguel Ramirez Valiente swerved into his lane and killed him. The immigrant was charged with reckless driving with a revoked license.

Ramirez Valiente received national media coverage in January when he sought sanctuary in [All Souls Unitarian Universalist Church](#) in Buchanan's hometown. Speaking from the pulpit, he told assembled reporters that he had fled gang violence in El Salvador in 2005. He said he wanted to stay in the United States to care for his wife and three children even though his asylum application was denied...

...When he killed Buchanan, Ramirez Valiente was driving with a suspended license thanks to a 2018 DUI. He was also arrested for reckless endangerment in 2011 and domestic violence in 2016. A district attorney dismissed both charges.

After the crash, a close female acquaintance anonymously told ABC 7 Denver that Ramirez Valiente is "an alcoholic and an abuser."

Sean Buchanan was a liberal immigration activist

In the years leading up to his death, Buchanan publicly advocated on behalf of asylum seekers like Ramirez Valiente. On Facebook and Twitter, he shared political commentary rooted in a liberal vision of Christianity in between

marketing and business tips.
