# Reporter Tries to Smear Speaker at Red Pill Expo Who Urged Liberty-Minded Citizens to Run for Office

written by GEG | November 28, 2019

The difference of world view appears to be the underlying problem with this article as the author believes that his mainstream sources are wise, honorable, and objective. Collectivists are programmed to believe and obey. We who have lived long enough to see how things really work in government and commerce know better.
