

# Kwanzaa Is a Phony Holiday Created by a Controlled Opposition Stooge for the FBI

Ann Coulter says that Kwanzaa is a fake holiday that was created in 1966 by Ronald Everett, aka Maulana Karenga, a black radical who founded the 'United Slaves' organization that did the bidding of the FBI. During the madness of the '60s, the FBI created controlled opposition by supporting the most extreme black nationalist organizations in order to discredit and split the left. The FBI fueled the rivalry between the United Slaves and the Black Panthers, who were not seeking armed revolution.

Karenga's United Slaves shot two Black Panthers to death on the UCLA campus. Karenga served prison time for torturing two of his black female followers, and he was declared insane in 1971 by a psychiatrist who said that he displayed paranoia and schizophrenia. Currently, Karenga is the chair of the African Studies Department at California State University at Long Beach.

Kwanzaa, celebrated exclusively by white liberals, is a fake holiday invented in 1966 by black radical/FBI stooge Ron Karenga – aka Dr. Maulana Karenga, founder of United Slaves, the violent nationalist rival to the Black Panthers. Liberals have become so mesmerized by multicultural gibberish that they have forgotten the real history of Kwanzaa and Karenga's United Slaves.

In what was ultimately a foolish gambit, during the madness of the '60s, the FBI encouraged the most extreme black nationalist organizations in order to discredit and split the left. The more preposterous the group, the better. (It's the same function MSNBC serves today.)

By that criterion, Karenga's United Slaves was perfect.

Despite modern perceptions that blend all the black activists of the '60s, the Black Panthers did not hate whites. Although some of their most high-profile leaders were drug dealers and murderers, they did not seek armed revolution.

Those were the precepts of Karenga's United Slaves. The United Slaves were proto-fascists, walking around in dashikis, gunning down Black Panthers and adopting invented "African" names.
