Leftist TV News Host Rachel Maddow Argues that Her Words Are Not Facts As Her Defense in a Lawsuit Accusing Her of Defamation

written by GEG | December 30, 2019

Maddow’s lawyers argued that the news star’s statement was “rhetorical hyperbole, incapable of being proved true or false.” But, it can be proven false. Maddow, a graduate of Stanford and Oxford Universities and a Rhodes Scholar, is not the sort of person an audience would expect to misuse the word “literally.”
