

# Fake Noose? '60 Minutes' Questions Epstein Suicide Theory

written by GEG | January 7, 2020

**Jeffrey Epstein is ruled to have died from suicide by hanging on Aug. 10 in New York City.**

The 60 Minutes host says we know Epstein is dead because the body's fingerprints matched Epstein's prints on record. [Now that proves it, doesn't it? If Epstein truly was murdered, that means the prison staff was in on it. In that case, why would we so quickly believe the story about finger prints?]
