

# Trump Claimed Iran Was Plotting Attacks On 4 US Embassies, But Defense Secretary Mark Esper Says He 'Didn't See' Specific Evidence that Iran Planned to Strike

written by GEG | January 15, 2020

In addition, Secretary of State Mike Pompeo struggled to explain the threat to the US when he said, "There is no doubt that there were a series of imminent attacks that were being by plotted by Soleimani. We don't know precisely when and we don't know precisely where – but it was real."
