

Financial Researcher Says Bernie Sanders Funneled Taxpayer Money and School Funds to His Family

written by GEG | January 21, 2020

Schweizer further disclosed that during the 2016 campaign, \$83 million was channeled through a mysterious media-buying company called Old Town Media. The company was run by two of Bernie Sanders' wife's friends out of a suburban house in Virginia.

China's Birthrate Hits Lowest Level Since Country Was Founded in 1949. China's 'One Child Policy' Skewed the Sex Ratio and 30 Million Bachelors Do Not Have Families.

written by GEG | January 21, 2020

A survey conducted in 2017 found that more than 50% of families have no intention of having a second child, with many saying they believed it was too expensive. Japan and South Korea are also suffering from low birth rates and aging populations.

Grooming ‘Epidemic’: Almost 19,000 Children Identified as Rape, Sexual Assault and Exploitation Victims in England

written by GEG | January 21, 2020

The Department of Education revealed that more than 18,700 suspected victims of child sexual exploitation were identified by local authorities in England in 2018-19, a major increase from 3,300 reported in 2013.

Goldman Sachs to Invest \$750-Billion to Fight Climate Change as Big Finance Cashes in on Global-Warming Agenda

written by GEG | January 21, 2020

Goldman Sachs

No one in these companies has claimed that any of this will reduce global warming to any appreciable degree. It's all about making money, increasing taxes, and controlling people in the name of a supposedly good cause. It's a great business for con artists.
