

The Real Money Controllers Behind the New Green Agenda Aim to Change the Economy Using Environmentalism as a Cover

written by GEG | March 17, 2020

The goal of BlackRock and friends is to invest in businesses and industries that support the agenda of the UN Intergovernmental Panel on Climate Change. Investors will abandon companies and industries, such as thermal coal, that are not part of the agenda.

Virus Lockdowns: 6.7 Million in San Francisco Bay Area Ordered to “Shelter in Place.” Los Angeles, NYC, Illinois, Ohio, Washington Close Restaurants and Bars.

written by GEG | March 17, 2020

Bay Area residents may only leave their homes to shop for food/supplies, to access health care, or to provide aide to those in need. President Trump predicts that the coronavirus will be a threat through July or August.

The Pandemic Is, Not a Virus, But the Fear of a Virus

written by GEG | March 17, 2020

China and the US media have over-hyped its severity of the coronavirus. Youtube analyst shows the hypocrisy of leftists for claiming people are 'racists' for labeling the coronavirus as Chinese.
