

Senator Cory Booker Proposes Ending Detention for Immigration Violations

written by GEG | April 30, 2020

3,277 prison inmates across 4 states have tested positive for the coronavirus, but 96% show no symptoms. Politicians are using the 'virus' as an excuse to release criminals from prison. Sen. Cory Booker introduced legislation to end all detention for immigration violations as long as coronavirus exists.

The CDC, Media, Johns Hopkins, and Some States Are Padding COVID-19 Death Stats

written by GEG | April 30, 2020

In Pennsylvania, officials reduced the death toll and removed some of the people who were diagnosed COVID-19 because coroners disputed the inflated numbers. The Star Tribune in Minnesota has dropped Johns Hopkins University as a source, because it is counting both confirmed and unconfirmed cases of COVID-19.

American Farmer Warns of Food Shortages as US Imports Beef from Namibia

written by GEG | April 30, 2020

Ranchers are being forced to euthanize harvest-ready cattle because of employee absenteeism at processing plants. The absenteeism is the result of the government's stay-at-home campaigns. Meanwhile, lower quality meat is being shipped in from Namibia and other overseas locations.
