

Restaurant Blames CARES Act For Labor Shortage Due to High Unemployment Pay

written by GEG | May 20, 2020

An Arizona restaurant owner says that many of her furloughed employees are staying home and have told her their pay from the government is better than working at her restaurant. She says there are about 30 job openings, but rehiring is challenging because people are comfortable with unemployment benefits.

Washington State: Sheriff May Be Recalled For Not Enforcing Lockdown Order

written by GEG | May 20, 2020

Sheriff Adam Fortney is facing a recall after saying he would not enforce lockdown orders. Ironically, Governor Inslee's lockdown order cannot be enforced without

violating the WA state constitution. Lori Shavlik filed a recall petition, but must gather 42,000 signatures and will hire professionals run the recall.

Why It Is Impossible to Prove That Viruses or Bacteria Cause Disease

written by GEG | May 20, 2020

Dr. Tom Cowan says that scientists have never proved that either viruses or bacteria cause disease, because they never have been isolated and purified sufficiently to eliminate the possibility that something else was the cause. Without proof, the entire germ theory of infectious disease is based on belief, not science.

Illinois Governor Says Small Business Owners Can Be Jailed for a Year If They Reopen

written by GEG | May 20, 2020

Governor Pritzker amended rules so business owners can be charged with a Class-A misdemeanor for violating his closure order and face a fine of \$2,500 and one year in prison. The Joint Committee on Administrative Rules is facing pressure to strike down Pritzker's new rule and will meet Wednesday morning.

Bill Gates and the Population Control Grid

written by GEG | May 20, 2020

Bill Gate has had a life-long compulsion to reduce the human population and the vaccine technologies he has funded for that purpose now are being deployed to identify and track every human on the planet. This is not for health purposes but for economic, social, and political control.
