

# Oregon Governor Extends Lockdown to July 6th Despite Only 104 COVID Deaths

Oregon Governor Kate Brown has extended the state's lockdown two more months until July 6th. Oregon has had 104 deaths, some of which likely were caused by something other than COVID-19. [Obviously, there is a very dark political agenda being played out across the nation, and it has nothing to do with public health.] -GEG

Several states reopened at least partially on Friday May 1st after the six-week-long Fauci lockdown.

But Democrat-led Oregon is not one of them.

Oregon, a state with [4.14 million](#) residents did not reopen on Friday.

In fact, the liberal state is not reopening anytime soon.
