

Activist Peggy Hall Scores a Victory in Her County Against Face Masks

written by GEG | June 15, 2020

The local health emergency was unlawfully prolonged so the county could collect federal and state emergency funds. This, however, is fraud, and Peggy threatened to sue. Now she wants to teach other activists across the country how to replicate her victory. Here she explains how to get started.

Bill Gates Funds GM Mosquito Genetic Extinction and GM Mosquito-Vaccines

written by GEG | June 15, 2020

Bill Gates is funding research on using mosquitoes to deliver vaccines, despite having admitted that injecting foreign substances into the blood circumvents the body's natural immune system.

Minneapolis City Council Votes To Replace Police with Community-Led Model

written by GEG | June 15, 2020

The proposal would eliminate the Minneapolis Police Department as a charter department and create a “transformative new model” for public safety. At least seven employees have left the Minneapolis Police Department following George Floyd’s death.

The World Economic Forum’s ‘Great Reset’ Is a Blueprint for Tyranny

written by GEG | June 15, 2020

The WEF’s ‘Great Reset’ of the global economy flows from Covid-19 and the “opportunity”

it presents, and it is linked to the “next global disaster” of climate change. Event 201, the pandemic exercise in October 2019, was co-sponsored by the World Economic Forum and the Gates Foundation.

Officer Fired, Police Chief Steps Down, Wendy's Set Ablaze After Atlanta Shooting

written by GEG | June 15, 2020

Police chief Erika Shields resigned following weeks of protest. Rioters at Wendy's attacked a CNN film crew. The police officer who shot Brooks fired and the local district attorney said that he plans to file charges against him.

BlackRock Authored the Federal Reserve's Bailout Plan Before There Was a Crisis

written by GEG | June 15, 2020

The Fed plans to leverage the \$454 billion from the COVID-19 stimulus program, the CARES Act, into a \$4.54 trillion bailout plan.
