

# Tucker Carlson Makes the Case that the BLM/ Antifa Revolution Is Not about Race, But Class Warfare

written by GEG | September 11, 2020

The NYPD arrested people at a demonstration held by the New Afrikan Black Panther Party. A group of these destroyers was arrested, yet none were black, but came from affluent homes. They were the product of the educational system and the media.

## George Soros Funds Jesuit NGOs with \$1.7-Million

written by GEG | September 11, 2020

Open Society supports abortion, gay marriage, drug liberalization, and Islamization of the West. Why is this same foundation sending millions to Jesuit groups? And why are these groups accepting the money? What is the common goal? Is no one even curious?

# 600 Jewish Groups Declare Their Support for Black Lives Matter

written by GEG | September 11, 2020

Patrice Cullors, a founding member of BLM, has boasted that she is a 'trained Marxist', and the organization rigidly pursues the Marxist agenda.

# US Homeland Security Says 'Most Lethal Threat to America' is White Supremacy

written by GEG | September 11, 2020

DHS claimed white supremacists are likely to target racial and religious minorities, members of the LGBTQ+ community, and globalists. Meanwhile, Communists and their agents in the Democrat Party are rioting, setting buildings on fire, and committing violence in the streets while being described as justice warriors.

# Quebec City Says It Will Isolate “Uncooperative” Citizens in Secret Corona Facility

written by GEG | September 11, 2020

Some people in a bar were ordered to wait until their COVID-19 tests came back, but left the premises before the results came back positive. This led to them being deemed “uncooperative” and forcibly interned in a quarantine facility.

# Doctor Vapes Through Face Masks, Shows Smoke Escaping from the Sides, Bottom, and Top

written by GEG | September 11, 2020

Dr Ted Noel, an anesthesiologist with 36 years of experience, uploaded a video purportedly showing the inefficiency of various face masks, by blowing clouds of vape smoke through the masks. He says that smoke molecules are the same size or larger than viruses.
