### Food Shortages Have Begun — Which is Why this Woman Teaches How to Grow Your Own Groceries in the City

written by needtokn | September 18, 2020

Marjory will be a featured speaker on this topic at G. Edward Griffin's Red Pill Expo, on October 10 and 11, at Jekyll Island, Georgia. Tickets are on sale for either physical attendance or live stream here.

#### Colorado: Thousands Attend Rally Against COVID Restrictions as Media Remains Silent

written by GEG | September 18, 2020

The demonstration was in support of two lawsuits, one filed by Bandimere Speedway against Jefferson County for its health regulations on businesses. The second was filed by Colorado House minority leader Representative Patrick Neville against Governor Jared Polis's emergency mask mandate.

# Fox News Host Cuts Off Guest When He Links BLM Antifa Violence to George Soros

written by GEG | September 18, 2020

Soros funding is perhaps the most important single cause of the growing street terrorism

in America and in other countries as well. The fact that this is taboo for public discussion at the supposedly conservative Fox News and even the White House, is powerful evidence of controlled opposition.

## Antifa Camp Out on Land Owned by City of Portland

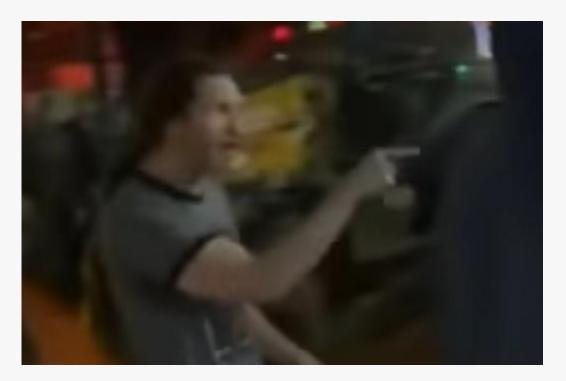

written by GEG | September 18, 2020

The camp was supposedly set up for homeless people but has been used as a convenience for rioters.

### Nebraska Bar Owner Arrested for Killing Rioter in Self Defense Case

written by GEG | September 18, 2020

More than a month ago, prosecutors deemed the killing was self-defense. The District Attorney admitted that they were "pressured" by local activists and politicians to bring the charges.

## The US Is in a Color Revolution Straight Out of the Color Revolution Playbook

written by GEG | September 18, 2020

The US is caught in a regime-change coup, known as a color revolution, and one of the main characteristics of this operation is an engineered, contested election combined with massive "peaceful" protests.
