

# Undercover Video: Democrat Official Reveals Plans to Change America by Using Violence and Killing Billionaires

written by GEG | October 14, 2020

Kris Jacks exposed plans to intimidate Joe Biden in the White House with constant protests if he is elected, or a violent response if Trump is reelected. He recommended a “strategic hit against the .1% that’s in charge” which is ironic because many top billionaires are funding the Democrats, radical leftists and Antifa

## CDC Admits 85% of COVID-Infected People ‘Often’ or ‘Always’ Wore Masks

written by GEG | October 14, 2020

US Surgeon General Jerome Adams, the CDC, the World Health Organization and Anthony Fauci all said that wearing masks was ineffective, and then they flip-flopped and urged people to wear the face coverings as masks became mandatory in most of the US.
