

Bradford Weeks, MD: There Are Many Treatments that Are Safe, Effective and Cheap

Dr. Brad Weeks will be a speaker at the upcoming Red Pill Expo at Jekyll Island, Georgia, October 10-11. He will explain how to survive and thrive in the age of Covid-19. He says that, whatever the reality may be about exposure to a coronavirus, there are safe and effective, yet inexpensive, treatments that are superior to the current standard of care. For more information about attending or watching the live stream of the Red Pill Expo, visit RedPillExpo.org. Here is an overview of What Dr. Weeks will cover.
