

Leftists Create Website to Dox Trump Donors

written by GEG | October 26, 2020

A new leftist doxing website created to intimidate Trump donors by publishing their names and addresses along with Google maps and data from the Federal Elections Commission. Originally, the site was Racist.watch, but it now directs to DonaldTrump.watch, and appears to have been created to encourage violence against Trump supporters. The website appears to have changed its front page from using the caption "Americans That Give Money To Support A Racist" to a new caption that reads "Americans that Donated to a Vulgar, Lying, Draft Dodger and Tax Cheat. 220,000 DEAD"

A new leftist doxing website created to intimidate Trump donors by exposing their data with the help of Google maps and data allegedly scraped from the FEC is a great opportunity to connect with your neighbors and make friends.

The site, DonaldTrump.watch, was clearly created to encourage terrorism against us but it also helps to show we're not alone.

The site allows anyone to search throughout the country down to their own neighborhoods and see the names and addresses of all Trump donors (don't put your address in, just scroll to wherever and click "search here" at the top).
