

Michigan Democrat Politician Issues Threat – Calls Out ‘Soldiers’ to Take Care of Trumpers

written by GEG | December 10, 2020

Last week, Michigan Democrat lawmaker Cynthia Johnson intimidated Michigan witnesses who testified about rampant voter fraud in the 2020 election. She said, “So this is just a warning to you Trumpers. Be careful. Walk lightly. We ain’t playing with you. Enough of the shenanigans. Enough is enough. And to those of you who are soldiers, you know how to do it. Do it right. Be in order. Make them pay.” The Michigan state legislature stripped Cynthia Johnson of her committees. In a new video, Johnson says, “The Biden-Harris administration owes the city of Detroit.”

Rep. Cynthia A. Johnson made a complete ass of herself last week when she attacked and ridiculed Michigan whistleblowers who stepped forward to testify on the fraud they witnessed at the TCF Center in Detroit this election.

As was **reported earlier** by Patty McMurray, Democrat State Rep. Cynthia Johnson had the opportunity to ask witness “Hima” a question about her very credible testimony, she used her time to call her and the witness sitting next to her “liars.”

‘Do you have a point of order?’ Chairman Hall asked Rep. Johnson? She responded by demanding that Hima and Andrew Sitto (sitting next to her) be placed under oath.

“May I say something please?” Hima asked. Chairman Hall agreed to let her respond to the vile accusation by the Democrat lawmaker from Detroit. “If that is something you want me to do, I will do it. Can I just say one thing though? If it is a lie, it may change, because a liar has to have a lot of memory power. If it is truth, you can ask me in the middle of the night and it will still be the same thing,” she said looking directly at the horrible lawmaker. The room erupted in cheers!

But this did not stop Cynthia Johnson. She later went online and tweeted video mocking one of the witnesses who testified on the massive Democrat fraud.

Pretty disgusting.

Cynthia then made the news this week after she released disgusting audio she alleges was recorded on her phone.

We do not condone violent rhetoric like this.

Then later this week Cynthia Johnson issued a threat to “Trumpers” on her facebook page.

Cynthia Johnson: So this is just a warning to you Trumpers. Be careful. Walk lightly. We ain't playing with you. Enough of the shenanigans. Enough is enough. And to those of you who are soldiers, you know how to do it. Do it right. Be in order. Make them pay.
